_____ Free	12'x12' Outdoor on Grounds – Information Only

General Information: *Come join us at our gorgeous venue for a wonderful festival-like (music, food, etc.) atmosphere in the gardens with thousands of visitors!* All 12'x12' outdoor spaces are located in the grass on the Palma Sola Botanical Park grounds and vendors need to provide their own canopy/tent. All vendors, both outdoors and indoors need to provide their own tables & chairs. For vendors with a smaller inventory, we offer spaces inside our Galleria, on the Galleria Deck, and in our Covered Pavilion. These spaces are preferred and limited, so they are assigned on a first-come/first-served basis, so early reservations are encouraged. The last day we will be accepting application and payment is Thursday October 17, 2024. We are not able to accept vendor fees on the day of the event.

Please note: We will not be offering day before set up. All vendors will need to set up the morning of the event starting at 7am. All vehicles will need off the grounds/parking lot and parked outside the gates by 9am.

Please make checks payable to: "Palma Sola Botanical Park" and mail this application form with your non-refundable vendor space fee to: Palma Sola Botanical Park, P. O. Box 14214, Bradenton, FL 34280.
